EXECUTIVE DIRECTOR REPORT:

Executive Director Sugerman presented a report (see attached Exhibit "A").

Board Member Stevens asked on what staff recommendation is regarding the 25 hours verse 35 hours of CRA security officer patrol services.

Executive Director Sugerman stated that he does not have a recommendation that he believes that this is a policy decision.

Vice-Chair Rumsey asked if the 35 hours was provided, what would the estimated cost be to continue the service at 35 hours in fiscal year 2014.

Executive Director Sugerman stated that it would cost approximately \$27,500.

Chair DuBois stated that the anticipated start of the security services contract is January 1, 2013 and asked if there is a possibility that the services could start earlier to cover the holiday season.

Executive Director Sugerman stated that it is conceivable, but would require that it be specified that once a vendor is selected that they would have ten (10) days to start from the award of contract.

Chair DuBois stated that it may be a good idea to have additional hours for during the holiday season only.

Board Member Francois stated that it is only an additional ten (10) hours per week.

Executive Director Sugerman explained that it is two issues: 1) when the contactor starts and 2) how much funds are expended on the service. He stated that December 15, 2012 is a Saturday and images that the selected vendor would be able to start on a Saturday.

Chair DuBois stated that he would anticipate that being a busy shopping day. He suggested 25 hours per week for the nine (9) month remaining in the fiscal year.

Board Member Francois agreed that it should remain as 25 hours per week as planned.

Board Member Stevens thinks it should remain as 25 hours per week.

Vice-Chair Rumsey thinks it should remain as 25 hours per week and that additional \$5,500 that would have to be found in the next year's budget to maintain the 35 hours per week would be difficult.

Board Member Mosler thinks it should remain as 25 hours per week. She asked if the services provided in the CRA would be similar to the services provided at the Marina and asked for an explanation of those services.

Executive Director Sugerman stated "yes" and explained that the security officer is unarmed and that they ride around looking for activity and they are a presence to deter unwanted activity. He stated that they have no arrest powers and that they would contact Palm Beach Sheriff's Office (PBSO) for assistance if needed.

Board Member Mosler stated that she does not think it is necessary for the vendor to start earlier than January 1, 2013.

Board Member Longtin stated that she would concur with the consensus and asked for a status update on One Park Place.

Executive Director Sugerman advised that there has been no change since the last CRA meeting.

Vice-Mayor Rumsey asked about the Seafood Festival and if the Town has a breakdown of the fifty-eight (58) vendors and how many are food or arts and crafts. He stated that last year there were more arts and crafts than food vendors and more food than seafood vendors.

Executive Director Sugerman stated that the Town does have a breakdown by name of vendor and fee paid and thinks that based on that information can determine whether they are food or arts and crafts. He can provide the list the Board.

Vice-Chair Rumsey requested the breakdown for the Board. He stated that he would like to see more food vendors than arts and crafts.

Executive Director Sugerman stated that the Town does not control the type of vendors that will be at the Seafood Festival.

Board Member Mosler asked how this compares to last year.

Vice-Chair Rumsey stated that it looks to be about the same as last year. He requested an analysis on vendors compared to last year.

Executive Director Sugerman stated that staff will do its best to do a comparative analysis, but he is not sure what information the Town has from last year.

Vice-Chair Rumsey stated that he does not want staff to spend a lot of time working on this, but if there were something that can be put together quickly that, he would appreciate it.

Board Member Longtin stated that she has had issues in the past that there would be an event and there would be no breakdown of vendors.

Executive Director Sugerman stated that for this year's Seafood Festival the Town has the breakdown of vendors.

Vice-Mayor Rumsey stated that the funds related to the Seafood Festival is not the Town's because the Town has turned over the production of the Festival to a production company.

Executive Director Sugerman stated that the Town has a right to audit the financials related to the Seafood Festival.

Board Member Longtin stated that if the Town chooses to take over the Festival next year it would be interesting to have this information.

Vice-Chair Rumsey concurred that the information would be good to have for future years.

Board Member Francois asked if fifty-eight (58) vendor and eight (8) sponsor was the final vendor total.

Executive Director Sugerman stated that it is not the final total and that additional checks have been received by both the Town and the production company for the event and it is anticipated to continue until right before the event.

Board Member Mosler asked if the Town is charging for services it is providing to the producer.

Executive Director Sugerman stated that if the Town does have charges for such things as clean-up and set-up of booths the Town will charge the going rate for those services, but he does not know what the Town's costs will be at this time.

Board Member Longtin asked if the producer is required to do all of that work.

Executive Director Sugerman stated “yes”, but if the Town does become a contractor to the production company then the Town will charge for those services.

Board Member Stevens stated that at last year’s event a lot of the food vendors were located in the same area and it created a bottle neck and suggested that the food vendors should be spread out more.

Executive Director Sugerman stated that he would pass the suggestion along to the production company, but that the Town does not control the set-up and location of the vendors. He stated that the Town will be a vendor at the event with four (4) or five (5) booths at no charge.

Vice-Chair Rumsey asked if the Town’s booths are included in the fifty-eight (58).

Executive Director Sugerman stated that he did not know.

COMMENTS BY BOARD MEMBERS

Board Member Mosler asked how a business within the CRA get placed on the CRA website, Facebook and other marketing sites.

Executive Director Sugerman stated that if a business within the CRA wants to be listed they just need to contact the office of the Executive Director or the CRA website and send an e-mail.

Vice-Chair Rumsey stated that a new business is opening in the CRA called “The Give”. It will be like a Goodwill style thrift store, but it will be more high end items. It will be located at 1263 10th Street. A percentage of all the profits will go to help take care of families with children suffering from life threatening diseases.

Chair DuBois asked if there will be a ribbon cutting ceremony with the Chamber of Commerce.

Vice-Chair Rumsey stated that there will be a ribbon cutting ceremony with the tentative date of Sunday, November 11, 2012 at 11:00 am.

Chair DuBois stated that the Ambassador’s Club with the Chamber of Commerce does ribbon cuttings and they advertised on the website and bring in a lot of people to participate.

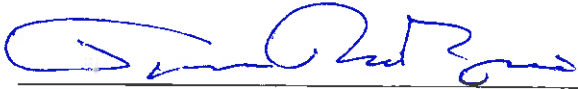

Board Member Stevens stated that November 11 is National Corduroy Day and that he is looking forward to the Seafood Festival.

Board Member Longtin no comments.

Board Member Francois no comments.
